JCSE-JCA

30 JUL 2018

Dear Service Member,

On behalf of myself, staff, the faculty of the Joint Communications Academy, and the Joint Communications Support Element welcome and congratulations on your selection to be among the finest communicators in DoD. To ensure every individual assigned to JCSE is mentally, physically, technically, tactically, and emotionally prepared to execute our mission set to standard and to provide world class service to our customers; you must complete the Joint Standards & Assessment Training Course (JSAT-C).

JSAT-C, is a 15-week course that will:

- Establish the cohesive integration of technical professionals into teams that deploy in support of Geographic Combatant Commands, U.S. Transportation Command, and U.S. Special Operations Command, spread throughout the world.
- Earn required 8570.01/8140 certification in CompTIA Security+.
- Tactical Training (Combat Environment Training, Combat Life Saver, Vehicle Training, and Range Qualifications).
- Technical Training (Radio, Work Group Management, Transmissions, Networking, Voice, JCSE specific equipment).
- Mission Readiness Exercise (Validation/Culmination).
- Community involvement, TOP III activities and family integration.

We recommend that you report at least two weeks early in order to check-in and take permissive TDY. For all correspondence please use the following email address, [transcom.macdill.jecc-jcse.mbx.j3-sponsorship@mail.mil](mailto:transcom.macdill.jecc-jcse.mbx.j3-sponsorship@mail.mil).

### **Reporting instructions are as follows:**

Please report to J-1 in BLDG 861 on the JCSE compound, 8532 Marina Bay Drive, MacDill AFB in your **(Service Specific Dress Uniform)** on your Report No Later Than date at 0900R listed on your orders.

Again, we welcome you and your family to the Joint Communications Support Element. We look forward to meeting you soon, and wish you academic excellence in the Joint Communications Academy. "The Voice Heard Around the World".
